AMENDMENT AFTER ALLOWANCE
PURSUANT TO 37 C.F.R. §1.312

This amendment is being filed concurrently with the payment of the issue fee.

Upon approval of the Petition to Accept Color Photographs submitted herewith, please enter the following amendment:

In the Specification:

Page 5, line 5, before "The invention", insert

The file of this patent contains at least one drawing executed in color. Copies of this patent with color drawing(s) will be provided by the Patent and Trademark Office upon request and payment of the necessary fees.

REMARKS

This amendment inserts the paragraph required by 37 C.F.R. § 1.84(2)(iii). No new matter has been added by this amendment.

In addition, upon reviewing the file, applicants noted that the Examiner appears to have considered all references provided on PTO Form 1449 that accompanied an information disclosure statement filed in compliance with 37 CFR 1.97 on July 27, 2000. However, page 2 of the PTO Form 1449 show the Examiner's initials at reference BA and reference BU, without a line connecting the two initials indicating consideration of references BB-BT. A copy of page 2 of Form 1449 is attached again for convenience.

Applicants respectfully request that the Examiner initial and return this form as soon as possible.
